

FRONTIER DENTAL

FAMILY DENTISTRY & PROSTHODONTICS

December 15, 2025

Dear Patient(s):

After 8 years of dental practice in the Medina area, it is with excitement and sorrow that I am announcing that I am starting a new chapter in my life. I am moving from Frontier Dental to spend more time with my family.

I am grateful for all the good people I have had the privilege to treat over the years. I will miss you, but it is time for me to transition to another phase of life.

I am excited to inform you that we have found the best possible dentist to take over our practice. Dr. M. Morgan is an extremely talented and ethical dentist and I am happy that he has decided to take over your care.

Also, please be assured that Ann and Adrea will be here to help you through the transition.

I sincerely appreciate your loyalty over the years. I have tried to provide the best dental care for you in a comfortable and economical manner.

Thank you very much.

Sincerely,

Sanjay Karunakaran, BDS (B'ham), PGDip (Oxon), DDS, MSD, FACP,
